Dear Mr. Maguire;

Thanks very much for your fb report of reception of this station at 5:15 P.M. May. 26, 1950.

It corresponds with our program log for that date and we are very glad to confirm it.

As you probably know, we have only been on the air about two weeks and did not know we were getting into Albuquerque therefore your report is doubly interesting. We have made a few checks in Texas however have not gone north or west.

I note you are a ham and I hope I will have the pleasure of meeting you on the air sometime. My call is W5LLG and the handle is "DOC". Ten meter fone and eighty and forty CW. Hav'nt been too active lately but expect to get back in business as soon as time permits. Have worked several fellows in Albuquerque in the past but do not recall who they were at the mom ent.

Thanks again, OM, for your QSL. Hope to CU Agn.
